This Webinar will describe how Turning Point, one of the largest providers of addiction and mental health care across England, decided to utilise the 5-Step Method across their services, and how they have implemented and developed the Method over the past decade. This Webinar will be of especial interest for any organisations or countries which are considering implementing the 5-Step Method.

A link to a recording of this AFINet Webinar, and the PowerPoint presentation, will be available on the AFINet website following this Webinar, as is the case with the previous ones.

This AFINet Webinar series is part of AFINet [<http://www.afinetwork.info/>], which is a free-to-join Network, providing a platform which:

- brings together researchers, policy-makers and practitioners;
- promotes the well-being of family members, friends and colleagues who are affected by or concerned about another person's problems with or addiction to alcohol, drugs or gambling; and
- develops research, policy and practice in the field.

Further AFINet Webinars are advertised on the AFINet website.

AFINet Membership (free) is by application:
